The authors and journal apologise for an error in the above paper, which appeared in volume **24** part 5, pages 209–220. The error relates to the reported GEO accession number given on page 211 in the ‘RNA sequencing’ section.

The original paper stated:

‘The data has been submitted to the Gene Expression Omnibus database (GEO; <https://www.ncbi.nlm.nih.gov/geo>) and is available under accession number GSE94465.’

This should have stated:

‘The data has been submitted to the Gene Expression Omnibus database (GEO; <https://www.ncbi.nlm.nih.gov/geo>) and is available under accession number GSE94464.’
