Supplementary figure 2

A

Analysis target list:

Target list - 2009-08-27 07:53 PM

[Bar chart showing gene expression for various categories]

B

[Pie chart showing distribution of pathways]

- Focal adhesion
- Gap junction
- TGF-beta signaling pathway
- Wnt signaling pathway
- Insulin signaling pathway
- MAPK signaling pathway
- Notch signaling pathway
- ECM-receptor interaction
- Cell communication
- PI3K-AKT signaling pathway
